This week long, full day summer camp gives your kids the opportunity to be adventurous, active and healthy while they explore their creativity, meet new friends and discover new lifestyle choices that last a lifetime.

About the Program

The highlight of the camp will be the Farm to Table catering experience with a local chef. In addition campers will be whipping up garden-inspired culinary creations. Our kid-chefs will assemble & enjoy fun recipes that incorporate locally sourced fruits and veggies. They will cultivate a connection to the food they prepare and eat. They will participate in thoughtful games and movement classes as well as learn listening and collaborative skills through arts and crafts.
